Dear Parents/Carers

Jeans for Genes Day – Friday 18th September

It is non-uniform day tomorrow, in aid of Jeans for Genes Day, a charity for genetic research which we have supported for many years. Children can wear jeans and non-uniform All donations will be sent to this genetic research charity.

Homework Club

Thank you to everyone who helped make homework club a success on Tuesday. We appreciate things were a bit hectic at collection times and moving forward from October we will be reviewing the start and finishing times for pupils, especially with the dark nights and pupils walking home from Moor Lane on all nights not just Tuesdays. The focus for these clubs in each class is to help children move back into routine and catch up any gaps in their learning following lockdown. As I am sure you will appreciate, even those children who were in school throughout the lockdown period did not access the curriculum they would normally have had. We cannot insist children attend but strongly urge you to allow your child to attend. Please ring me if you have any questions.

Diary Dates

Please find overleaf diary dates for this term to date.
