Dear Parents/Carers

Word Books

Children in Years 1 and 2 have been given word books to bring home this week. Please help your child to read the words, learn them off by heart and play games such as word lotto. If you would like another copy of the book, please ask your child's class teacher. The books are for you and your child to keep and use at home.

Health and Safety

Yet again, I have received a complaint about cars on the Moor Lane site. As you know, we are trying our best to keep everyone safe including our new Bike and Scooter charter. Unfortunately, this time cars are causing great concern. I have been told that cars are being driven along the back lane of North Road East and in the past have been told about cars being driven along the back of Moor Lane. Residents are finding it difficult to leave and enter their own street, and I know I have had to shout for people not to cross the road at Moor Lane when they are trying to get between parked cars. Please try to park away from the school entrance, drive with extreme care if coming along Moor Lane and refrain from driving down the back lanes altogether if you can. I have contacted the Police regarding this matter to see if they can help make home times safer.

Start and End of the day

As you all know we are in very strange times and the pandemic continues to affect us all. Please make sure you maintain social distance from other parents/carers when on school sites. Some children walk home and come to school on their own – please remind your child that they need to stay safe, go straight home at the end of the day and maintain social distance as much as they can.

Regards

M-L Binks
