

Year 2 Learning Grid

Year 2 Activities Guide:

Use this grid as a guide of activities during your time spent at home and please feel free to come up with your own activities.

Please remember to read every single day. There are free ebooks available via the Oxford Owl website.

Also please remember to check out Edshed for a range of activities as well as Purple Mash. You have been sent the login details for these and Charanga (music).

Other websites/apps to look at are BBC Bitesize, Hit the Button.

<p>Take some time to practise some mindfulness through colouring and listening to calming music. Practise Peer Massage with brothers, sisters or parents/carers – you don't need the special music just use any relaxing music you enjoy listening to.</p>	<p>Eating a healthy balanced diet will help your body fight off illnesses and keep you well. Write a menu for your family that includes the right amounts of the different food groups. Can you draw an example of a healthy plate?</p>	<p>Look through your reading book. Make a list of the words that have the same digraphs and trigraphs. Make a list of words that have adjacent consonants (words that start with 2 or more consonants e.g. blend, spoil, string)</p>	<p>Imagine you have been for a walk. Have you been in a park or the woods or the beach? Write 5-8 sentences to describe what you saw, what you did and how you felt. What was the weather like – what did you have to wear or take with you?</p>	<p>Tell an adult the names of the 7 continents. Choose one and find out 5 facts about it. You could think about the countries on it, which animals live there, what the weather is like....</p>		
<p>Read a book with an adult and ask the adult to ask you 5 questions about what happened – the book can be fiction or non-fiction.</p>	<p>Practise counting in 1's, 2's 5's and 10's every day. Ask an adult to give you a number to start from.</p>	<p>23, 85, 64, 34, 52, 18, 49, 70, 57, 96, 38, 17, 43,</p>		<table border="1" style="width: 100%;"> <tr> <td data-bbox="907 1021 1556 1348"> <p>Choose a number from above. Add 5 to your number. Take away 7 from your number. Write how many tens and ones are in the chosen number. Can you draw the tens sticks and ones to show this?</p> </td> <td data-bbox="1556 1021 2150 1348"> <p>Choose 5 numbers from above. Write them in order from smallest to largest. Draw a number line and put them on it. Add one more ten to each number and write the new number. Have the ones changed?</p> </td> </tr> </table>	<p>Choose a number from above. Add 5 to your number. Take away 7 from your number. Write how many tens and ones are in the chosen number. Can you draw the tens sticks and ones to show this?</p>	<p>Choose 5 numbers from above. Write them in order from smallest to largest. Draw a number line and put them on it. Add one more ten to each number and write the new number. Have the ones changed?</p>

Add one more ten to each number and write the new number. Have the ones changed?</p>					

Year 2 Learning Grid

<p>Write a review of your favourite book. Who is your favourite character? What was the best bit? Would you recommend it and why? Don't forget to give it a star rating!</p>	<p>Use an atlas or map of the world to write the name of one country from each of the 7 continents we have been learning about in Geography.</p>	<p>Choose a letter of the alphabet - can you think of a place, animal, food and name starting with that letter.</p>	<p>Make up a dance routine for your favourite song like we have been doing with Just Dance.</p>	<p>Each day draw a picture to show what the weather is like at different times of the day – include morning, lunch, afternoon and tea time.</p>
