Dear Parents/ Carers

Healthy Eating

As part of Healthy Eating week, children are learning about Science and Nutrition and will be given the opportunity to taste various foods in school tomorrow (8th October 2020). If your child is allergic to any foods, please complete the slip below and return to school as soon as possible. This will then cover any other food tasting activities across the year. Please make sure you inform us if things change – ie. your child develops any allergies.

Regards

Marie-Louise Binks
