

11th March 2021

Dear Parents/Carers

Lockdown/Bubble Closure

In case your child's year group bubble has to close or in the event of another lockdown – please can you make sure you have your child's usernames and passwords for websites and TEAMS meetings. If you do not have these, please contact school as soon as possible and we will get them sent to you. If you have any queries around any work set on the grids please can you send these to your child's generic class email not the school email address. This will ensure all questions/queries are responded to straight away from your child's teacher.

If bubbles isolate, grids will be updated on a weekly basis and your child's class or year group teacher will arrange a TEAMS meeting to explain work to children as soon as possible. If individual children and not the bubble isolate, grids will be on the website to use and will be updated on a monthly basis and previous grids will also be accessible for children.

PE Days

Please can you make sure you send your child in the correct school PE kit on their PE day – black or navy joggers or shorts and a white t-shirt. I realise it is difficult to buy clothes at the minute with the lockdown situation however we do have some spare in school, which we will provide if your child does not have the kit. Children should still wear their school jumper or cardigan on PE days. If you are struggling to purchase please contact school and we will try to help.

Chocolate Raffle

Raffle tickets will be on sale from Monday for the chocolate raffle. If you would like to purchase tickets please send money in a named envelope with your child. The raffle will be drawn Thursday 25th March. Thank you for the donations received already, do not feel you have to do this but any contributions are much appreciated.

Regards

Marie-Louise Binks
