

Bike and Scooter Charter

At Wingate Primary School we encourage pupils to use bikes and scooters safely to cut down on cars around school and promote exercise. **Article 6 - The right to life. Article 24 - The right to the best possible health.**

We would ask that all children bringing a bike or scooter do so safely by:

1. Making sure that they dismount at the top of Moor Lane and push the bike or scooter into school.
2. Push their bike or scooter across the yard.
3. Safely store the bike or scooter in one of the bike sheds.
4. At the end of the day push their bike or scooter back across the yard and to the top of Moor Lane.

All children with a bike or scooter will sign an agreement to follow these guidelines and receive a bike/scooter pass. If they are seen to be unsafe then:

- The first time will result in a week long ban.
- A second offence will be given a month ban.
- A third incident will mean the child is given a full term ban.
- Any further unsafe behaviour will result in a permanent ban from bringing a bike or scooter.
