Dear Parents/Carers

### **Administering of Medication in School**

Please find attached the following forms to be completed and returned to school where necessary:

#### **Use of Medication In School**

Please sign and return this form to allow consent for First Aiders to administer un-prescribed medication to your child if they become unwell within school. Even if you provide written consent we will always contact you prior to giving this medication to your child. This will help to keep your child in school and reduce the necessity for you to have to bring medicine into school during the school day.

#### **Use of Emergency Inhalers & Adrenaline Auto Injectors**

This form is to be completed to provide consent for use of a School Inhaler or Adrenaline Auto Ejector in emergency or extreme situations. We will contact you immediately after administering this medication and all other emergency procedures would be followed.

If you would like to discuss this please do not hesitate to contact me.

Regards
