

Science

To explore how we see, how light travels and how objects reflect light.

Computing

To explore the benefits of computing for every day life. We will also be creating spreadsheets using temperature data.

PSHE

'Being Me in My World'
To choose individual goals for the year and explore the benefits of setting goals.

Geography

To explore Fantastic Forests and understand why they are so important. To describe and understand key aspects of: physical geography including climate zones. Visit to Hamsterley Forest to complete geography data skills.

RE

To understand what gospels teach us about the creation story.

Music

To play steel pan drums with help from Durham Music Services.

Languages

To consolidate learning since the beginning of KS2 and identify areas of need.

English

To write diaries, non chronological reports and narratives using the text 'The Unforgotten Coat'.

Maths

Fractions, decimals and percentages as well as negative numbers and ratio and proportion.

DT

To create a game involving an electrical circuit.

PE

To put together balances, rolls, travels and jumps into group routines. We will also be developing our strength, flexibility, balance and co-ordination.

Year 6 Autumn 2

RRSA

Article 14 – Every child has the right to think and believe what they choose and also to practise their own religion, as long as they are not stopping other people from enjoying their rights.
Article 15 – Every child has the right to meet with other children and to join groups and organisations. Article 16 – Every child has the right to privacy. The law should protect the child's privacy, family and home life, including protecting children from unlawful attacks that harm their reputation.
