

# Reception December Grid

Use Bug Club each day to read a book that has been allocated to your child. Logins for Bug Club are available from school.

<p>In phonics we have learnt these letter sounds below. Can you remember the sounds that they make? Write the letters down and see if you can also write their capital letters.</p> <p>s a t p i n m d g o c k ck e u r h b f l</p>	<p>Practise writing your full name twice a day! Every morning Reception will be writing their names to vote for different things in the day and writing in their books and writing their names next to models or creations they would like to keep and not tidy up. So lots of practise is needed for our activities in school.</p>	<p>In school we have been using part-whole models to break up numbers into parts. Can you complete these part whole models to find the numbers inside other numbers?</p> 
<p>Now we are in the season of winter, the weather is becoming colder. What type of weather do you think we will be getting? Ask your adult to help you to record the temperature and write down or draw a picture of the type of weather you have had while isolating.</p> 	<p>Make a Christmas decoration. Use string and glue to decorate it and make sure it goes straight on the Christmas tree either at home or in school.</p> 	<p>Read these words by saying each letter sound and blending them together. Then have a go at writing them!</p> <p>din fit will sun rug lock miss fuss milk maps off get pick lets gas</p>
<p>Use YouTube to find 'cosmic kids yoga'. Take part in one of the yoga sessions. Remember to start your session with "Namaste"!</p> 	<p>Use a search engine like 'swiggle' or 'google' to research what Christmas is like in a different country to England. See if the people from the other country celebrate in a different way to the way you do.</p> 	<p>Reception have been learning about teeth this half term. We have discussed ways of keeping them clean and how to look after them. Create a poster explaining how we need to brush our teeth in the morning and before we go to bed.</p> 
<p> Mrs Lombard has been teaching the Reception children some French colours. Can you remember any? (<b>rouge</b>, <b>vert</b>, <b>bleu</b>, <b>orange</b>, <b>blanc</b>, <b>gris</b>, <b>jaune</b>, <b>noir</b>). Write the names of the colours and teach your family members the colours.</p>	<p>Create a Christmas card for one of your friends in school. Remember to add an interesting Christmas pattern on the front of your card and write Merry Christmas inside and your name on the bottom of the card.</p> 	<p>Draw, paint or make your own Christmas Tree.</p>
