

15<sup>th</sup> March 2022

Dear Parent/Carer

**Questionnaire**

As you will know we are sending out a Poverty Proofing survey today as part of our on going work with Children Northeast. These surveys are anonymous and we would very much welcome as many returns as possible. The questionnaires need to be back in school by Friday this week and should not take long to complete as most questions are tick box answers.

**Believe Housing**

We are also hoping to apply for a grant from a new partner to school, Believe Housing. This organisation does a lot of work to support communities and schools and we hope to get some funding for each site to begin a food and growing project this term. In order to apply, we need to know how many of our children live in Believe Housing properties – they are the Local Authority housing provider for this area. Please complete the proformer below and send back as soon as you can so that we can complete the application process.

**Respect**

Please do not wear clothing on school premises containing swear words or inappropriate images. I have received complaints about a recent incident and will be forced to take legal action should this occur again. Our children are very good at blending sounds and reading words!

**Birthdays**

Unfortunately, for a range of issues birthday invitations can no longer be sent into school to be handed out.

**Fundraising for Ukraine**

A huge thank you for the very generous and very quick response to our appeal last week for warm clothing etc and money to help the people of Ukraine. Mrs Downing took two huge car fulls of bags to the charity her family are supporting and we collected £229.60 which will be sent to Rev.Jane, included in this is a donation from one of the children who made and sold bookmarks

Just a reminder it is Red Nose day on Friday – Non Uniform or a donation if you wish.

Regards

*Marie-Louise Binks*
