

Dear Parents/Carers,

Poverty Proofing© the School Day

We have been working with your school to support them in 'poverty proofing' the school day. Wingate Primary School wants to ensure that every child has the same opportunities throughout the school day, whatever their background or household income.

We have been speaking to pupils, teachers and governors and would like to get your views as parents/carers too. We have been exploring issues such as access to trips, after school clubs and music tuition, the costs of uniform, how free school meals are administered and how children access food during the school day.

It would be really useful if you could fill in the attached questionnaire and send it in with your child. We will be working with the school to address the issues raised. All responses are anonymous and you do not have to give your name.

If you would be interested in talking to me in more depth about the issues raised or would like to take part in a consultation event with other parents/carers, please feel free to contact me using the details below.

Yours sincerely,

Grace Dunne  
Poverty Proofing Coordinator
