

Reception Home Learning grid for April & May.

Use Bug Club each day to read a book that has been allocated to your child. Logins for Bug Club are available from school.

Decorate an Easter egg! Draw a large egg shape on a piece of paper and decorate using coloured pens and pencils. If you have any craft decorations at home you could use them too.

Read these sentences and draw a picture for each sentence.

A big bin.

A frog on a log.

Ten men in a shop.

Dad with a dog.

When we find **1 less** than a number we are just Taking away 1. Can you find 1 less than these numbers? Use your fingers to count to the number and then put one down to find 1 less than that number.

2 4 5 7 9

Now try finding 1 less than these numbers by

Taking away 1: **11 15 19**

With an adult, make an Easter sweet treat to celebrate Easter. You could put it in your Easter basket once you've finished!

Choose your favourite recipe, or follow this link to make Easter nest cakes:

<https://www.bbcgoodfood.com/recipes/shredded-wheat-nests>

Write down what ingredients you need and how you made them.

Write a letter to your teacher to tell them about an insect you know about or that you have seen. Start your letter off with...

Dear Mr Binks (or) Miss Steel,

...Don't forget to finish your letter with the word 'from' and then your name!

Draw a number line in your books starting from 0 all the way to 20.

When we find **1 less** than a number, we are just taking away one. It is easy to see on a number line because it is just the number that comes before (to the left). *eg 7 on the number line*

Draw a circle around the numbers that are 1 less than...

5 8 10 14 16

Go on a **Bug Hunt!**

Have a look around your house or garden and find an insect or bug to draw. Once you have drawn it can you label it and carefully count how many legs your creature has.

Understanding the World – Have a look at a map of the whole world. Can you find where the United Kingdom is?

Look carefully and find 4 countries that start with the letter 'E'. Write the countries names in your book.

Time – In this activity you will need a timer on either a phone or tablet or an egg timer. Ask your adult to put a 10-second timer on. How many jumping jacks can you do in 10 seconds? Now ask them to put a 30-second timer on. How many jumping jacks can you do in 30 seconds?

Finally, ask them to put on a 1-minute timer on their phone or tablet. How many jumping jacks can you do in 1 minute?

Write how many you could do on a piece of paper!

Reception Home Learning grid for April & May.

Build a Den! Make sure you draw a picture of your den before making it.

Can you add a sign to it, you could write who is allowed in or make a 'KEEP OUT' sign.

Use a search engine like Google or Swiggle and research an insect of your choice.

How many legs does it have? Does it have antenna? How many eyes does it have? What does it eat?

Get up to 10 of the same objects, these could anything, for example, socks, pencils, pasta etc.

Put 6 objects in one group and take 2 objects away from them. How many are left over? **6 - 2 = 4**

Now find the answers to these subtraction calculations, using your objects again to help you.

$5 - 3 =$

$8 - 4 =$

$8 - 2 =$

$9 - 3 =$

$7 - 3 =$

$7 - 6 =$
