24th May 2022

Dear Parents/Carers

In the coming weeks, as part of our PSHE Curriculum we will be delivering a Sex Education Programme tailored to the age, physical and emotional maturity of our children. The purpose of this is to ensure that both boys and girls are prepared for the changes that adolescence brings. Areas covered will include naming body parts, puberty and for the older children human reproduction. All topic areas will be dealt with at an age appropriate level in a safe environment. We will endeavor to answer honestly and to use correct terminology for body parts.

Our full PSHE (including relationships education, sex education and health education) policy together with supporting documents is available to view on our school website or feel free to ask school for a copy of this.

We are aware that parents/carers are the primary educators for children when it comes to relationships and sex education and we want to work in partnership with you to ensure that we meet the needs of our young people. Good relationship, health and sex education is essential if we are to equip our children for the modern world, enabling them to make informed, healthy decisions and stay safe.

We value your input and opinions and would welcome any feedback. Should you have any questions or require any further information on lesson content, please feel free to contact Mrs Binks or your child's class teacher who will be happy to discuss this further.

Regards

M-L Binks

Mrs Marie-Louise Binks
Head
Teacher
