Year 6 Summer 1

RRSA

Article 3 – The best interests of the child must be a top priority in all decisions and actions that affect children.
Article 42 – Governments must actively work to make sure children and adults know about the Convention.
Article 23 – A child with a disability has the right to live a full and decent life with dignity and, as far as possible, independence and to play an active part in the community. Governments must do all they can to support disabled children and their families.

Languages

To consolidate essential survival phrases and to develop vocabulary. To incorporate more grammar rules to expand and develop our sentences.
