### **Personal Contact Details**

Could you please complete the attached contact details form to ensure that we have correct contact information in case of an emergency for your child, especially if you have changed phone numbers since the last time you gave us details. We must have at least 2 contacts for every child.

### **Photo Consent – Year 3**

An updated photograph and video consent form is attached and needs to be completed for all Year 3 pupils.

### **Packed Lunches**

Just a reminder that your child's packed lunch does not contain a drink. Fresh water is always provided for all children at lunchtime regardless of the type of lunch they have. We do have an approved packed lunch policy which details the types of food children can bring – this is available on the website or a copy can be obtained from the school office. Please make sure any grapes or small berries are cut up. Nuts **are not allowed** at all in school, including chocolate spread containing nuts due to allergies.

### **End of the day**

All children from Reception to Year 3 will be handed over 1 by 1 to parents/carers. The Governors and I would like to stress that all children need to be kept safe (of course) and so only if you give permission for your child from Year 4 – Year 6 to walk home on their own will we let them go on their own. Please complete the attached form to consent to your child walking home from school alone from the Moor Lane site – this is for Years 4 and above.

### **Contacting School**

The contact number for both sites Church Street (Infant) and Moor Lane (Junior School) is **01429 836843** – there are 4 options to choose from:

- 1 Reporting Pupil Absence
- 2 Teatime Club bookings and Pupil collection information
- 3 Church Street
- 4 Moor Lane

You can also text school on our mobile phone – this number is 07880 044653

### **Leave of Absence requests**

Any holiday requests need to be made directly to school to me, Mrs Woodhouse or Annie. Forms must be completed and returned to the school office prior to taking the holiday. It is a LA policy to fine for unauthorised holidays in certain circumstances and both parents/carers will be fined per child. It is School policy to not authorise in term time except in very exceptional circumstances.

### **Cash into School**

We aim to operate a cashless system across both sites and use the Parent Pay system for payment of clubs and events within school. Activation letters for new Reception children will be sent out by the end of this week – for all other parents if you have misplaced this please call into the office to get a further copy.

If you do not do on-line banking, please call into the office and we can arrange a payment card for you. This will enable payment to be made in cash at local shops that offer the Pay Point service, (eg Local Co-ops).

### **School Lunch**

The cost for a school lunch is £2.25/day (£11.25/week) for pupils attending the junior site. Please see attached Free School Meal form for you to complete if your circumstances have changed and you think you may be entitled to a Free School Meal.

All children at the Infant site will receive a Free School Meal, however, the school receive a premium for children who are eligible for a Free School Meal, please see letter attached, explaining why it is worthwhile for these forms to be completed.

### **Facebook**

Many of you will know that there is a Facebook page for the school – if you have any problems accessing this please come into the school office and someone will help.

### **Accidents and Bumps in School**

Most of the staff in our school are First Aiders and they deal with any bumps, cuts and grazes. In the case of head injuries, parents/carers will be informed by school via a telephone call and will receive written details of the incident so that they can monitor their child when they get home and seek further medical advice if necessary. This is school policy and does not mean that the injury is very serious but we need you to be aware in case of any after effects- obviously we cannot see into your child's head! If it is inconvenient for you to answer the phone during the day and do not want to receive such calls

please advise the school office. You will still receive bump notes - the phone call is so that you are aware prior to the end of the school day or in case another adult collects your child after school.

### **Water in school**

Every child in our school has been given their own cup to use within school. The cups have children's names on. They will stay in school and be washed and reused in school each day. Please rest assured that your child will have the opportunity to access fresh clean water at all times.

### **Breakfast club is available at the Infant and Junior School sites at the following times:**

From 7.30am - at a cost of £1.50 per session

We offer a free Breakfast Club on both sites from 8.30am and all children are able to attend – there is no booking required for Breakfast Club. All children can have free bagels in school from 9am.

Can parents please ensure that if their children are leaving the house early to attend Breakfast Club that they come straight into school and do not hang around on Moor Lane or surrounding streets. This is for their safety and well-being and I am sure you will encourage them to come straight to school.

### **Teatime Club is available at the Infant and Junior School sites at the following times:**

From 3pm - 4pm at a cost of £1.00

From 4pm - 5pm at an additional cost of £3.00

Therefore, the total cost from 3pm – 5.00pm will be £4.00

All bookings for Teatime Club must be made the previous day. As your circumstances may change over a weekend bookings for Teatime Club on a Monday can be made by 9.30am on the Monday morning. Alternatively advise us of regular bookings and daily notification will not be necessary.

If your child will be attending Teatime Club on a regular basis, either daily/weekly, please complete the attached form.

### **Payment for Breakfast Club, Teatime Club and School Meals**

Payment for Breakfast & Teatime club and school meals must be paid in advance of attending, at the beginning of the week. If we do not receive payment your child will not be allowed to attend. We will provide a school meal for your child on the first day of non-payment, but following that you will be contacted and advised to send a packed lunch in with your child until we receive payment for the week ahead.

If this arrangement will cause any difficulties, please do not hesitate to contact me or Annie Docherty, Pastoral Manager.

If there are any outstanding amounts owed from last term can you please ensure that these are brought up to date by the end of this week. We will be contacting parents next week to arrange meetings/ payments plans for any not brought up to date.

### **Health and Safety**

Dogs are not allowed on school premises at all. We have children with severe allergies, as well as the risk of biting!

Please do not stand at the top of the steps at the end of the day when you collect your child. It is very difficult for staff to see you at such a distance. Please rest assured we will help and keep your child at the infant site if you need to collect from the Juniors first.

Children cannot wear earrings or jewellery in school. If your child must have their ears pierced, they will need to sit at the side of the yard during break times and not take part in PE/swimming lessons.

Obviously, smoking including use of vapes is not permitted on any Durham County Council site including our school.

When dropping your child at Church Street please do not use the main entrance unless they are attending Breakfast Club, they should use the pupil entrance when staff are on the yard.

### **PE Kits**

PE days for each year group are :

Reception – Wednesday

Year 1 – Monday & Friday

Year 2 – Thursday

Year 3 – Wednesday & Thursday

Year 4 – Friday (swimming on a Tuesday)

Year 5 – Monday & Tuesday

Year 6 – Monday & Tuesday

Please send your child's PE kit to school on a Monday and it will be returned on a Friday for washing. This is because other opportunities may arise for PE and we do not want the children to feel upset. Our PE Kit is, blue/black shorts or joggers and a white t-shirt. We do have some spares in school if children do not have the correct kit.

Children in Year 1 and KS2 do all need trainers or plimsolls as some of their PE is outside.

### **OPAL Play**

As part of our new OPAL play provision, children will be allowed to play on grassed areas of the school ground so long as they have appropriate footwear. Please could you send spare wellies into school for your child to keep in school so that they can engage in play at break and lunch times. If you have any additional wellies that your child has grown out of these will be greatly accepted as spares. If you are sending wellies in please write your child's name inside.

### **Year 6 Transition Information**

You will have received a letter yesterday about applying for Secondary School. Any information we receive from local schools will be put on our Facebook page, the school website and fliers will be put up in school giving information about Open Evenings, etc.

Apologies for the epic first letter – there was obviously a lot of information to give to you today.

Regards
